The Foundation Fighting Blindness

To cure RP (retinitis pigmentosa), macular degeneration, Usher syndrome and related retinal degenerative diseases

OTT Operating Memo No. 97-3
February 28, 1997
Enclosure 2

December 6, 1996

Ms. Catherine Whenmouth
Campus Liaison Officer
Office of Technology Transfer
University of California
1320 Harbor Way Parkway, Suite 150
Alameda, CA 94502

Dear Ms. Whenmouth:

Thank you for your letter of November 18, 1996 listing the exceptions that the University of California has to The Foundation Fighting Blindness' revised patent policy. The Foundation finds these exceptions to be reasonable and I have enclosed a signed copy of your letter indicating our concurrence.

We appreciate your assistance in resolving this matter and we look forward to the results of this important research.

Sincerely,

Edward J. Cronin, Jr.
Chief Operating Officer
